WSET® Level 5 Honours Diploma in Wines and Spirits

The WSET Level 5 Honours Diploma is an individual research project that enables students to develop skills in research, evaluation and analysis in a wine- and spirit-related subject agreed between the student and the examiners.

To gain the Level 5 qualification:

A student submitting a research project of between 4,000 and 5,000 words will be required to demonstrate the ability to carry out an in-depth, extensive study by:

- selecting an appropriate subject for in-depth, extensive study
- submitting an outline proposal for review
- carrying out a literature review of the subject area chosen
- planning and investigation
- presenting information in a suitable format
- managing own time to meet objectives.

Entry Requirements

This qualification is open to anyone holding the WSET Level 4 Diploma.

A student enrolling for an Honours Diploma may attend a one-to-one tutorial workshop where guidance will be given on how to approach the project, or enrol onto a distance learning programme with tutor support. However, students are expected to work independently, set their own deadlines, submit a proposal for approval and manage the process of research, production and submission of the project in line with guidance given at the workshop.

Further details can be found in the Level 5 Specification and Candidate Assignment Brief, which is available via our website: www.wsetglobal.com (via 'Qualifications' from the home page).
